

Urkunde

The background of the certificate is a photograph of a snowy town square. In the center, a tall, light-colored church tower with a clock face and a dark dome is visible. The square is covered in snow, and several evergreen trees are heavily laden with snow. A large crowd of people, many wearing winter gear and some holding orange pom-poms, is gathered in the square, suggesting a festive or sporting event.

11. Dohnaer Adventslauf
